## **2004 Syrah**

**WINE ADVOCATE**

**Robert Parker**

**89 POINTS**

This attractive **2004 Patianna Fairbairn Ranch Syrah** exhibits a dark ruby/purple color as well as an interesting nose of damp earth, truffles, and broodingly dark fruit. In the mouth, Syrah's meaty/underbrush character emerges from this European-styled red. With medium to full body, soft tannin, and good acidity as well as purity, this is a lovely wine to drink over the net 3-4 years.
