

PATIANNA[®]

Organic Vineyards

Patianna Organic Vineyard is located 100 miles north of San Francisco in Mendocino County. The 126-acre ranch stretches along the Russian River just east of Highway 101 in Hopland. Sauvignon Blanc and Chardonnay excel here. Patianna is certified Organic and Biodynamic®.

Mendocino County is a birthplace of the organic movement, and in the 1980s the Fetzer family pioneered organic viticulture. Patti Fetzer worked alongside her brothers and sisters to build the Fetzer winery. The family sold the brand to Brown Foreman in 1992, but they kept their vineyards. Patianna Organic Vineyard, now owned by Patti Fetzer, is one of the original family properties.
